PolMilOff faxed May 14 the proposed dip note containing Washington's approved CFE Host Country Agreement text to MFA Disarmament Head of Department Bulent Meric. On June 3 Meric said the Turkish interagency was reviewing the text, and he hoped to get back to the Embassy in the next couple of weeks.

PolMilOff reminded Meric that the latest version was the Turkish proposal and expressed hope that a comparison of the texts would not take much longer. Meric concurred but wondered aloud if the agreement would require Parliamentary approval once the Embassy sent the official dip note; he said he would have to check into it.
